This repair and maintenance permit is an annual permit that applies to all vehicles, semi-trailers, or trailers operated by the carrier named above. This permit is not transferable to another carrier. Under no circumstances does this permit allow the carrier to transport either cargo or passengers, including perishable cargo on board the vehicles, semi-trailers, or trailers being repaired. This permit only authorizes the carrier to travel from a foreign state into Indiana for the repair/maintenance of the carrier's vehicles, semi-trailers, or trailers. Upon completion of the repair/maintenance of the vehicles, semi-trailers, or trailers, the carrier must return directly to the same state where the vehicles, semi-trailers, or trailers originated.

This permit is not valid for any other type of travel.

This permit exempts the carrier from reporting Indiana miles and paying quarterly fuel taxes when traveling for the purpose of repair/maintenance of the vehicles, semi-trailers, or trailers.

Any person in violation of the strict authorization granted herein may be subject to fines, impoundment of all vehicles in violation, and revocation of all operating permits issued by the Indiana Department of Revenue.

Copies of this permit are acceptable.

Under penalty of perjury, I declare that I have examined this Repair/Maintenance Permit Application and to the best of my knowledge and belief it is true, correct, and complete. I further declare that I will distribute the repair and maintenance permit issued to me by the Indiana Department of Revenue only to the vehicles, semi-trailers, or trailers I am operating or causing to be operated.
